*"I reached out to Anne as I will be seeking **PCC certification through ICF**. I'm currently an **ACC** and meeting with Anne helped me understand the intricacies of applying for certification, taking the exam and **keeping up with the changes ICF** is making to its certification process. I would highly recommend her to anyone seeking **mentor coaching or support in the ICF certification process**."*

CCEase Grads Speak

(3 min video)

A recent CCEase graduate shares **his favorite parts** of his cohort and **what first drew him to the class.**

Cindy Barkanic, ACC, Oct. 2020

"Today's **group mentoring** session was great. Anne always does a great job leading us through sharing and learning. I volunteered to be coached today and **felt that it was a safe place to do so.** And I LOVED Anne's suggested improvisational exercise to help 'stuck' clients brainstorming.

Brilliant, fun, and freeing."
